Kricket Canary Wharf

Our vibrant, industrial-inspired restaurant is located on the Wharf's North Dock a short walk from the Jubilee and Elizabeth Line stations as well as the DLR.

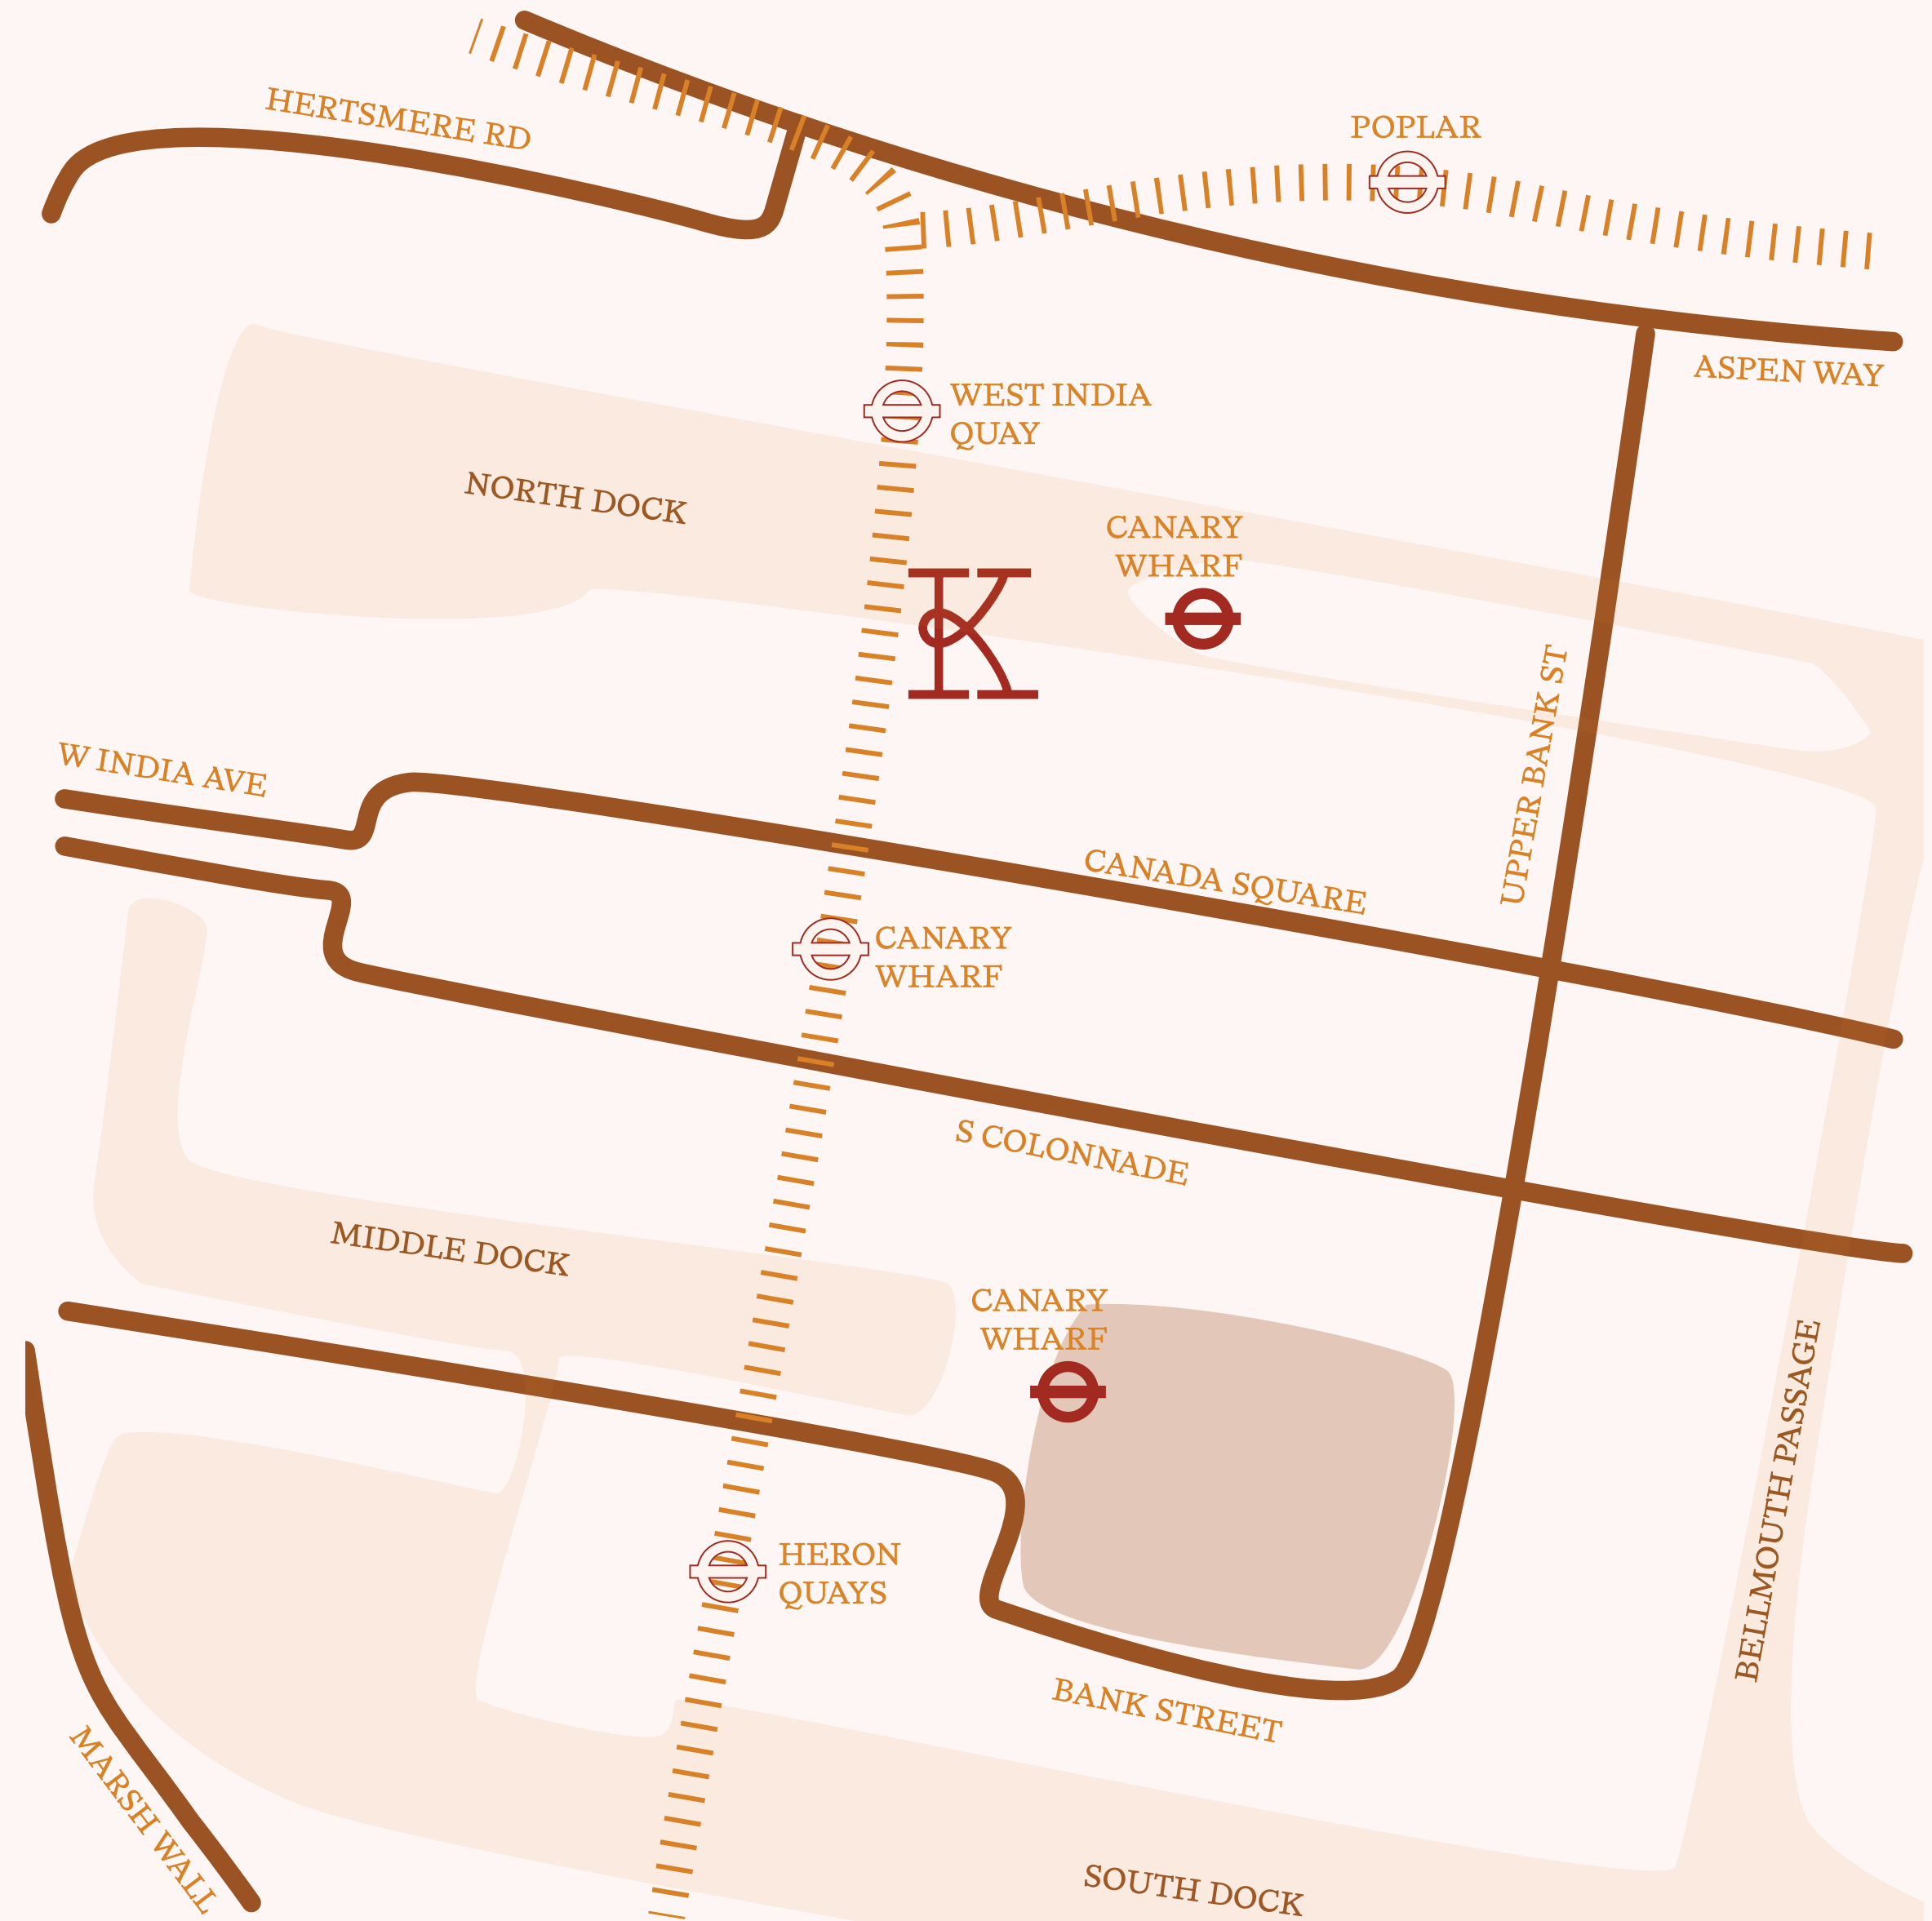

The room features concrete finishes, exposed surfaces and a blend of steel, timber and red ceramic tiles that celebrate the building's urban roots. Large windows and continuous industrial-style lighting create an inviting connection to the outdoors, a striking choice for memorable events.

The restaurant has soft, textile screens to create a sense of privacy in the dining room, which means that in addition to private hires, the restaurant is an ideal choice for large group bookings at both lunch and dinner.

Kricket Shoreditch

Drenched in an ethereal Jaipur pink inside and out, our all-day Kafé, Restaurant & Bar on Charlotte Road is an inviting space for private and semi-private events.

The design of the room features a refined palette of dusty pinks, earthy reds and deep browns inspired by Jaipur and the Red Fort. Traditional Indian motifs are reinterpreted with a contemporary touch, complemented by lighting and textile details that evoke the industrial heritage of the historic Victorian warehouse in which the restaurant is located.

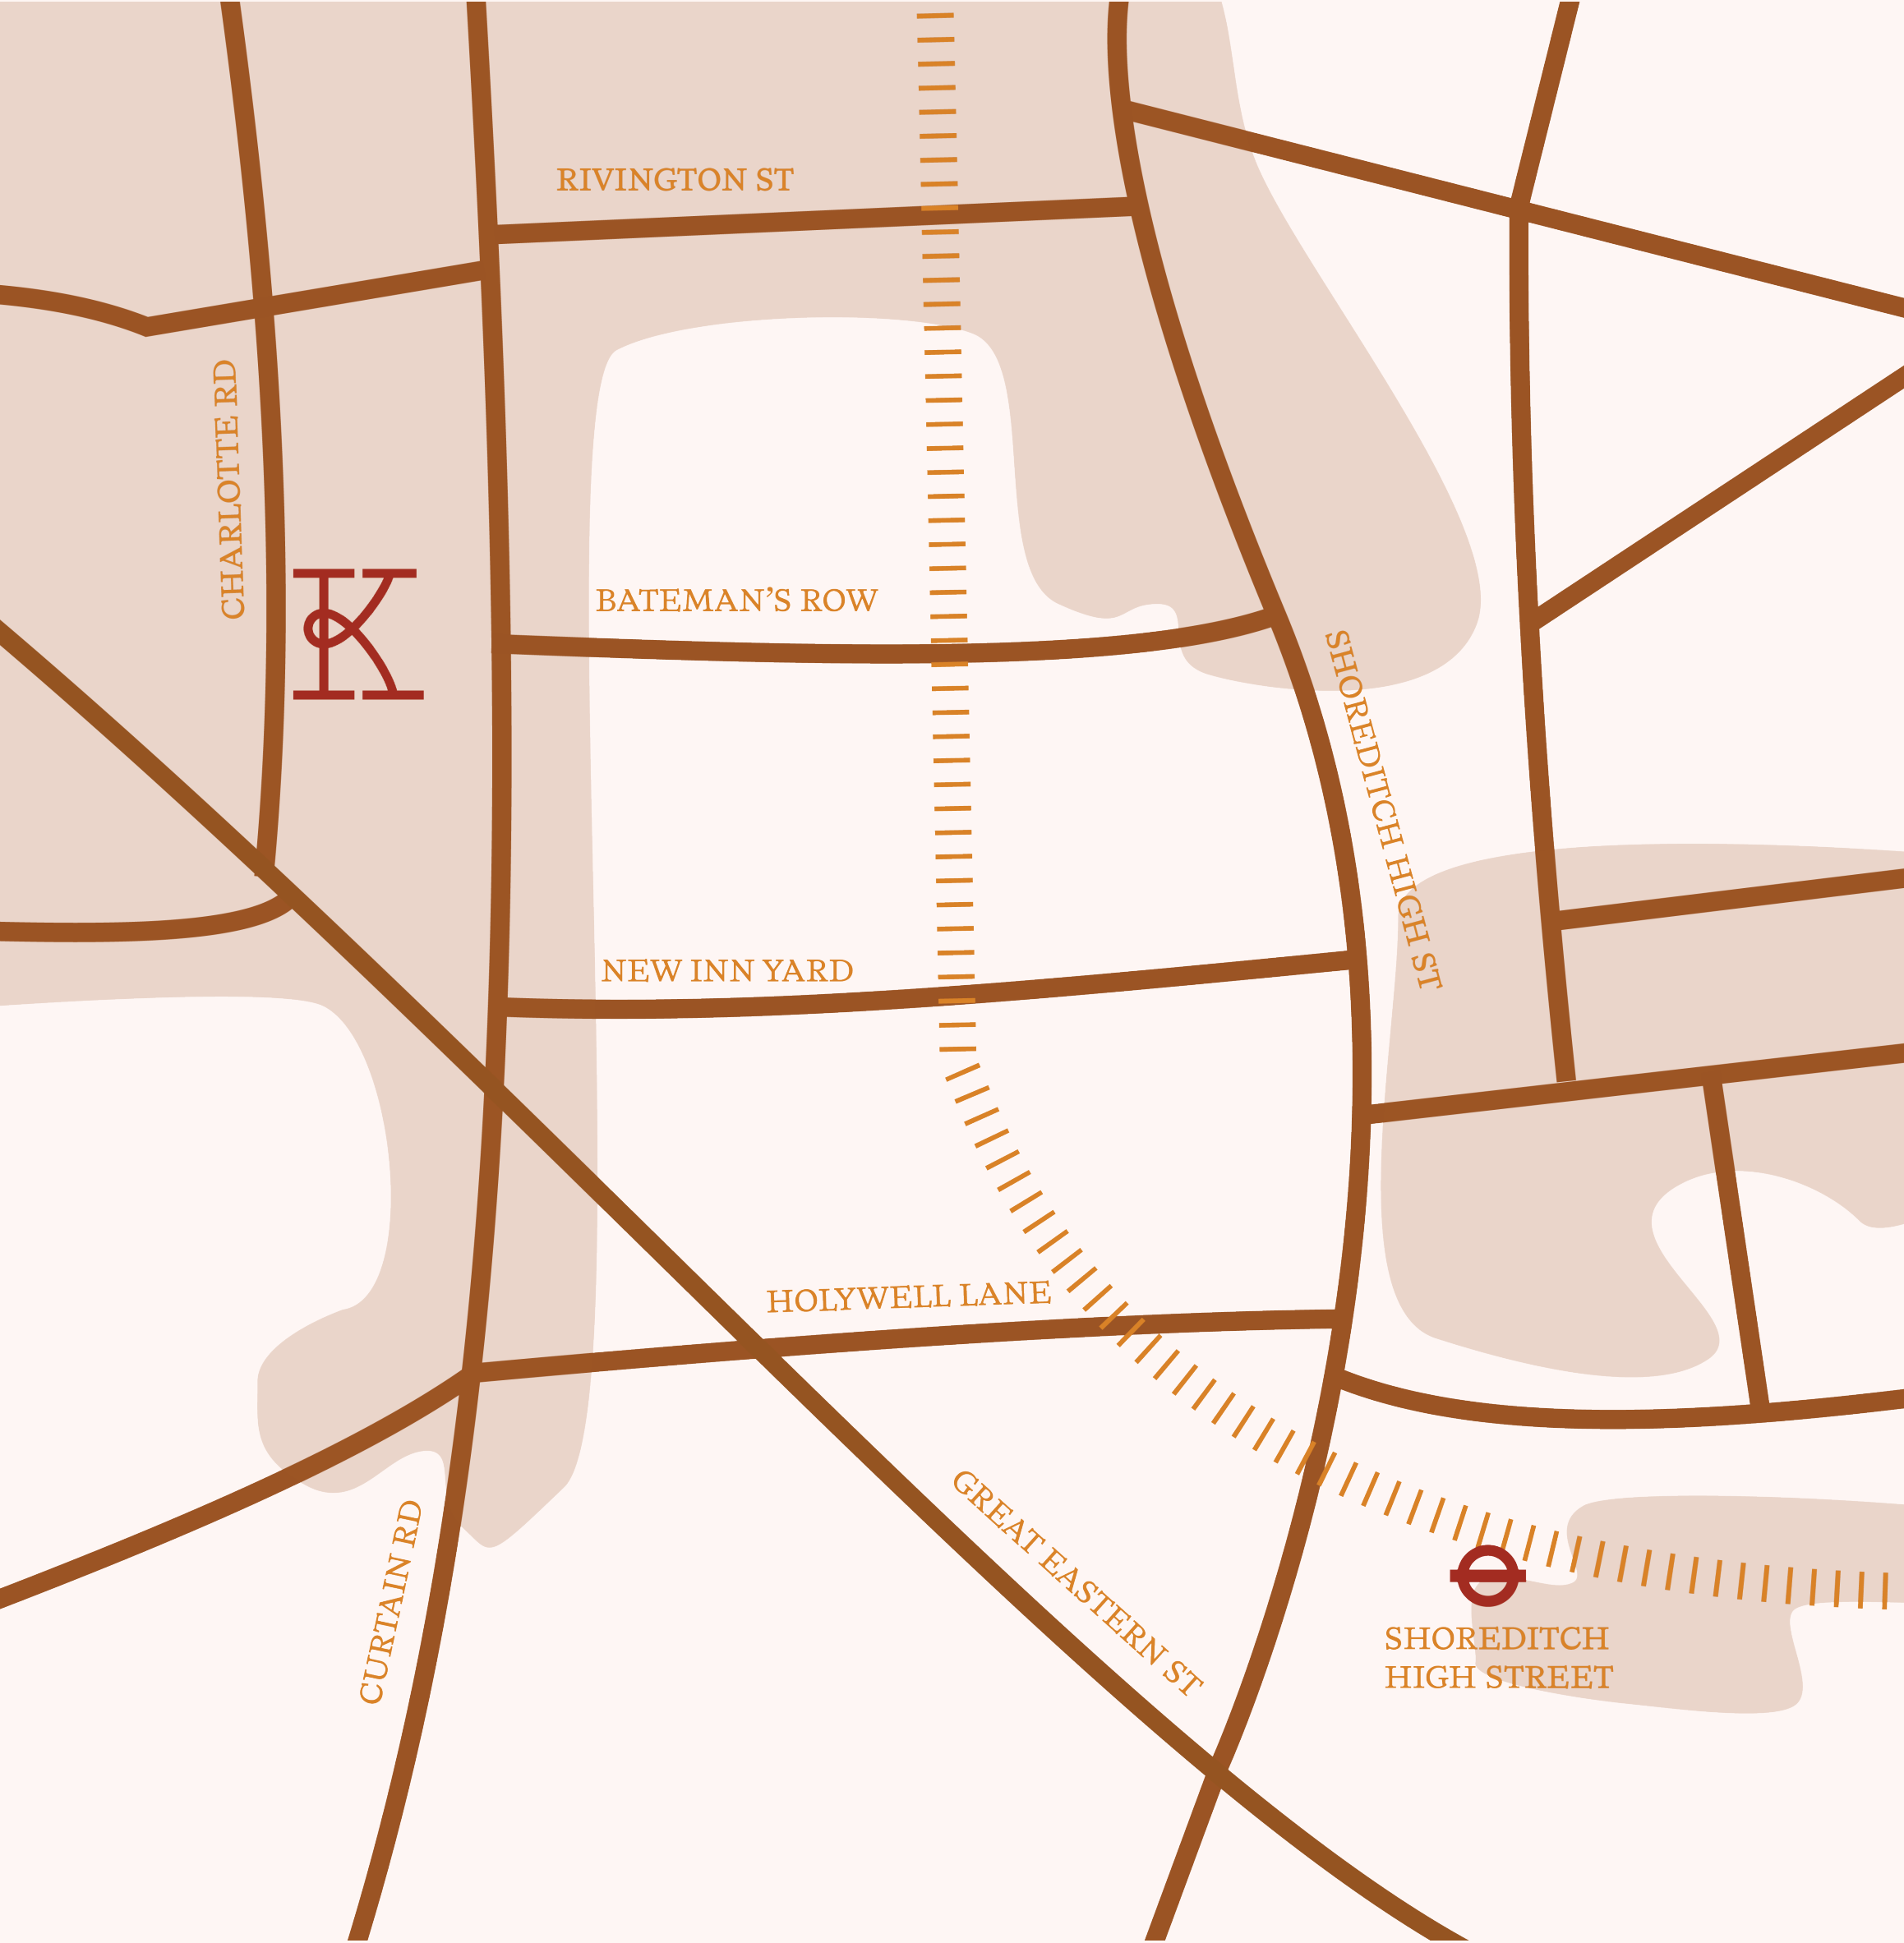

With its warm, layered ambience, Kricket Shoreditch is a stunning backdrop for events at breakfast, lunch and dinner. The restaurant and bar can accommodate standing receptions on both a semi-private and private basis, as well as seated meals.

A private dining room, which will accommodate 16 guests, will open in Autumn 2025.
